

It is time to wrap up the 2017 season and send our gratitude and best wishes out to our longstanding GPSA Executive. There are decades of service and wisdom combined with our outgoing VOLUNTEER Executive Team. You will be missed!!

**It is also time to begin planning the future of Softball in Gage Park.**

Many families have expressed that this tradition needs to continue and after months of call outs for executive volunteers, a small group have come forward and are committed to this goal. We ask for you to join us here in 2018. In doing so please appreciate that with any transition there will be a learning curve. We hope you will expect and understand that the league will likely run a little differently in our growing years. Please consider how YOU may be able to contribute to Gage Park Softball being an amazing sports organization. Interested in volunteering... email at [gageparksoftball@gmail.com](mailto:gageparksoftball@gmail.com), message on Facebook page or

\*Contact one of the GPSA Executives for information on how you can be involved\*
